Corrigendum

Corrigendum to "Climate variability and deep water mass characteristics in the Aegean Sea" [Atmospheric Research 152 (2014) 146–158]

S. Georgiou[a,*,1], A. Mantziafou[a], S. Sofianos[a], I. Gertman[b], E. Özsoy[c], S. Somot[d], V. Vervatis[a]

ARTICLE INFO

Available online 15 November 2014

Keywords:
Aegean sea
Deep water
Climate variability

The authors regret missing the following corrections:

In Section 2 "Data and methodology", in the third paragraph (Direct measurements of atmospheric parameters … E–P.), the reference citations "Sevault et al., 2009; Herrmann and Somot, 2008" need to be replaced with "Sevault et al. (2009); Herrmann and Somot (2008); Beuvier et al. (2010); Herrmann et al. (2010)".

In Section 4 "Summary and conclusions", in the first paragraph (One of the most complete data set for the Eastern Mediterranean … adjacent basins.), the reference citations "Sevault et al. (2009); Herrmann and Somot (2008)" need to be replaced with "Sevault et al. (2009); Herrmann and Somot (2008); Beuvier et al. (2010); Herrmann et al. (2010)".
